This program is designed for all healthcare providers and support staff to engage in the education of Substance Use Disorder.

This program meets the requirement of Opioid Safe Prescribing Practices mandated by the IDFPR to renew Controlled Substances Registration in Illinois.

Along with obtaining 1 hour of CE credits per session in the series, attendees can look forward to engaging in discussion of complex cases and outcomes. Time will be afforded at the end of the session to allow presenters to address questions from the audience.

*Attendees that register for the SIH SUPPORT CP Series are automatically enrolled in sessions 1 through 4. CE Credits will only be awarded for the session(s) attended for a maximum eligibility of 4 hours of CME

Did you miss a session in this series?

There is no prerequisite for attendance in any session of the series. Attendees may participate in any session offered independently from other sessions.
