[REGISTER HERE](#)

This program is designed for all healthcare providers and support staff to engage in the education of Substance Use Disorder.

Along with obtaining 1.5 hours of CE credits per session in the series, attendees can look forward to learning best practices for developing a strong addiction medicine program, administrative support requirements, local and national training ideas, licensure considerations, and a discussion on challenges.

*Attendees that register for the SIH SUPPORT PD Series are automatically enrolled in both sessions. CE Credits will only be awarded for the session(s) attended for a maximum eligibility of 3 hours of CE

Did you miss a session in this series?

There is no prerequisite for attendance in any session of the series. Attendees may participate in any session offered independently from other sessions.
